INNOVATIONS

# INSIDE NASA'S INNOVATIONS (2022)

## 6 X 60' DOCUMENTARY SERIES

FACTUAL: SCIENCE / TECHNOLOGY / LIFESTYLE / SPACE TRAVEL

We've surfaced the moon, developed satellites to orbit our planet, that can monitor our wellbeing from thousands, if not millions of miles away. We have developed ships that can fly, robots that can defy gravity and apparatus to help us breathe when there is no air. There seems to be no limits to the challenges we can overcome if we put our minds to it.

Have you ever wondered who it is that actually creates & develops these incredible revolutions? Inside NASA's Innovations takes you behind the scenes with NASA, one of the world's leading technology innovators. Find out how NASA creates zero gravity robots, new Rovers for Moon & Mars Exploration, and see how they build Mission Control Centers for the modern age. We take you to see all this and more, and to discover how to partner with NASA's and license their technology & get involved to help us explore the galaxies.

WORLD POLITICS /  
CULTURE / HISTORICAL

Whilst the world had almost given up on the notion of peace in the middle east, 2020 would be the year that changes the region, and the world, for better. Peace & collaboration with your neighbors always proves to be more fruitful, than arguments and war. Positivity begets positivity, The Abraham Accords is a shining beacon of true partnership.

September 2020 will forever change the Middle East, when Israel, Bahrain & UAE signed a peace treaty that would be the olive branch that the region needed to help peace and prosperity to flourish. With billions in trade and many new countries wanting to join, The Abraham Accords are the international collaboration the world desperately needs.

Meet with the world leaders who made it happen, including the US President, Royal Leaders of Bahrain, Egypt and UAE, with other esteemed guests.

# THE SUGARMAN

Scripted TV Series  
TRUE CRIME / MAFIA / DRAMA

Based on the life of Myron Sugerman in post-WWII New Jersey, The Sugerman is the story of a small-time American Gangster turned World-Class Tycoon (aka "The Slot King") who becomes an unexpected Nazi hunter & Diplomatic Fixer. Follow along as he navigates the seedy underbelly of organized crime, Jewish mafia family politics, and the growing shadow of antisemitism on his doorstep.

Following the massive early entrepreneurial success as a mafioso, Myron unearths a deep-rooted hunger for revenge against Neo-Nazis in a post-WWII world. After several small-time operations, Myron eventually teams up with Simon Wiesenthal, the famed Nazi hunter, who provides a new purpose and meaning to Myron's unconventional life.

Myron agrees to join the clandestine mission of tracking down the infamous "Angel of Death" of Auschwitz, Dr. Josef Mengele, rumored to be somewhere on the Argentine-Paraguay border.
